“**Money** is not the only commodity that is fun to give.

We can give time,
we can give our **expertise**,
we can give our **love**, or simply give
a **smile**. What does that cost?

The point is, **none of us can
ever run out of something
worthwhile to give.**

Steve Goodier

Background

TAAKULO Community Development Volunteers (TAAKULO NGO) is non political, non partial, non governmental and non profit seeking organization. It is established in Bossaso on June 1998 by group of intellectuals who deeply felt the serious situation of their war torn communities and voluntarily come together to help their community day and night and to any place without discriminating in color, religion, race and ethics.

TAAKULO NGO is committed to assist the most marginalized communities specially the vulnerable group of the communities i.e. Women and children.

The headquarter of the NGO is Garowe city – Puntland state of Somalia. The NGO also have big office in Bossaso. NGO also small offices in Dhahar of Sanag region and Galkaio.
